# Choosing Your Photographer

---

BRINGING YOUR WEDDING MEMORIES TO LIFE. | You have hundreds of wedding plans to make. Deciding who will bring your memories to life is one of your most important. When the flurry and excitement of your wedding is over, it's beautifully captured images that help you revisit the romance, emotion and spirit of an event that passes so quickly.

*So, how do you choose the best wedding photographer for you?*

## CHOOSE A PHOTOGRAPHER WHO VALUES YOUR DREAMS

I think of you as more than just a shot list. Instead, I invest time getting to know you and your wedding dreams. That makes all the difference. You will be more comfortable in front of my lens, and your images will have the natural, more authentic feel of true keepsakes.

## VIEW PORTFOLIO IMAGES FROM AN ENTIRE WEDDING

I will capture consistent, quality images throughout your wedding day. Details matter. And the subtle nuances of your day are important. I'm happy to share entire wedding galleries with you, so you can assure yourself that the quality you expect consistently shines through in every shot.

## CHOOSE A SEASONED PROFESSIONAL

I'm experienced dealing with many different lighting environments and situations. I'm committed to professional and timely response to your needs before and after the ceremony. All hallmarks of a seasoned professional. And all assurances that every special moment of your wedding is flawlessly captured.

# Booking Your Photographer

---

THE EASIEST PART OF YOUR WEDDING PLANS. | Let's get together — on the phone, at my studio, even SKYPE — I'm flexible. We'll chat about your wedding day, confirm your date, and discuss all the fun details. I'll show you examples of beautiful custom wedding albums and other items that can become your cherished wedding day heirlooms. Together, we'll select the perfect package for your wedding.

Once we confirm the details, I'll prepare your contract. After you return your signed contract and the retainer fee, I'm officially your wedding photographer!

## THE NEXT STEPS — WHAT YOU SHOULD EXPECT

**6 Weeks Before Your Wedding:** I send a questionnaire to get all your details, so I can start planning your shoot.

**4 Weeks Before Your Wedding:** Your final payment is due.

**2 Weeks Before Your Wedding:** We confirm the details from your questionnaire and address changes or questions.

**Your Wedding Day:** I follow your timeline as your day unfolds.

**1 Week After Your Wedding:** Sneak peek images are posted to Facebook and Instagram for your friends and family to view.

**4 Weeks After Your Wedding:** At your viewing session, edited images and your album design are revealed and we place orders for prints, canvases and other items.

**60 Days After Your Wedding:** Your wedding album arrives. Most of your other printed items should already be in your hands.

# Engagement Sessions

---

SHOW YOUR LOVED ONES HOW IT ALL BEGAN. | Engagement sessions add so much to the story of who you are as a couple right now, and they're an ideal way to become more comfortable in front of my lens before your wedding day.

Your engagement session can be as simple as a stroll through your favorite park, an intimate meal at your favorite café, or even a romantic return to where they proposed — anything you can imagine to share the imagery of your personal love story.

Formal or informal, images from your engagement session are beautiful additions to your wedding album, and also make a wonderful signing book. They help to craft the whole story, and can even be used for save-the-date cards, invitations or thank you cards.

# Your Wedding Timeline

---

A SMOOTH FLOW TO YOUR SPECIAL DAY. | Memorable weddings don't just happen. They take a bit of organization. To ensure a smooth flow of beautifully captured memories of your day, a timeline of wedding events will help guide your planning.

## GETTING READY: THE BRIDE & GROOM

*1.5 to 2.0 hours*

Plan for some additional time for photos at the salon, and if you're planning a "first look".

## THE WEDDING CEREMONY

*15 minutes to 1.5 hours*

The length of your ceremony may vary widely. Afterward, allow more time for formal portraits (if planned) to allow your guests to leave the church or venue.

## FORMAL GROUP & FAMILY PORTRAITS

*30 minutes to 1.0 hour*

Formal portrait timing can vary widely depending on group size and family/group combinations.

## WEDDING PARTY & THE NEWLYWEDS

*1.0 to 3.0 hours*

Timing can depend largely on the venue, size of the bridal party and variety of poses.

## YOUR RECEPTION

*2.0 to 6.0 hours*

Your first dance, cutting the cake, dancing guests, friends and family sharing your joy.

Remember. Your wedding day is unique, and planning together ensures you don't miss a minute of this special time in your lives.

## Details, Details

---

SOMETHING BORROWED, SOMETHING BLUE. | The dress. The rings. The cake. The bouquet. These, and all the other visual details of your wedding, are small but oh-so-meaningful expressions of all that is unique about you. They are the fine points that distinguish you as a couple, and form the visual texture of tender memories. I will document them with care.

## Remembering Your Day

---

### MEANINGFUL CONNECTIONS TO YOUR WEDDING DAY.

There is something about holding a photograph in your hands. It connects you physically to the feelings of a time and place that an image on a screen can't replace. That's why your wedding album is so important. It is a tangible link to your wedding day.

Digital files definitely have their place. But a beautifully crafted fine art album is a permanent heirloom you will enjoy, share and pass down — a meaningful connection to your wedding day that becomes more cherished each year.

### ABOUT MY WEDDING ALBUMS

*I custom design each and every album myself with your favorite photos from the day. You can choose from a wide variety of cover materials including antiqued leather, etched designs, linen, metal, acrylic or a cameo of your most cherished image. All albums are made in the USA of the highest quality materials and are built to last generations.*

## Frequently Asked Questions

---

*Do I have to book one of your packages "as-is" or can I customize one based on what I want?*

You can absolutely customize a package, I want you to be happy and comfortable with what you are purchasing. This is *your* investment!

*I would like to book one of your packages, but I do not want an engagement session. Is that OK?*

Of course! An engagement session is complimentary, so you are not losing any money if you prefer not to do one.

*How far in advance do I need to book you for my wedding?*

Most couples typically book me about a year in advance, but just ask about my availability. I'm sometimes still available at shorter notice.

*I'm having a destination wedding, are you available for travel?*

Yes! I LOVE photographing destination weddings. A few of my destination weddings have even been published! Just let me know the details and we can discuss a special package for you.

*Do you offer payment plans?*

Indeed! If you prefer to pay your balance in installments after the initial 25% deposit, we can create a plan that allows you to spread out your payments in a way in which you're comfortable.

*Do you have any vendors that you prefer?*

Yes. I've been working as a wedding photographer for many years and have worked with lots of wonderful DJ's, videographers, florists, makeup artists, etc. that are amazing at what they do. I'm happy to share their information with you.
